## Roaring Summer

Collection is reminiscent  
of the era gone by  
It preserves, re-creating  
links to the traditional  
forms, clothing, capturing  
the true image of  
the rich Indian culture.

# Indian Women

It started as a simple dress, but it became a revolution. It was the first time a woman could wear something that was both beautiful and practical. It was the first time a woman could wear something that was both traditional and modern. It was the first time a woman could wear something that was both elegant and comfortable. It was the first time a woman could wear something that was both Indian and global.
