*"The beauty with yourself and your hair when self-confidence. There nothing to match or give
anyone with the beauty, come from within you."*

I had been a body sculpting artist and entrepreneur for 15 years
before I started my body art.

It is a beautiful and elegant saree with a vibrant pink color and a white floral pattern. The saree is made of a soft fabric and features a matching pink blouse with a white floral pattern. The saree is cinched at the waist with a wide, light-colored belt. The blouse has a V-neckline and short sleeves. The saree is draped in a traditional style with a large knot at the waist. The background of the image is a soft, textured wall with a faint, artistic illustration of a tree and a palm tree. In the foreground, there are several white ceramic vases with red floral patterns, some containing red flowers. The overall aesthetic is elegant and traditional Indian fashion.

We will read a book of knowledge and bring our hearts to prayer
For in an old room of light we will be together

There is a beauty in you, and you have to see it. It is not in your face, but in your soul. It is not in your eyes, but in your heart. It is not in your hands, but in your mind. It is not in your feet, but in your spirit.

Thanking you yourself and your life, it's all yours.
And the only thing is, you are not the only one
who can do it.
