

# Chinon

S T Y L E S T R A

Use of organic, busy patterns on filmy fabrics which turns even the simplest of things into something worthwhile. Look, since the start of the 1980s, in the world of fashion, there has been a renewed interest in floral designs.

*luxury on sophisticated side*

*what I love most is how you present yourself in the world, especially when what  
kannan creates are so quick. fashion is instant language!!*
