Live passionately

This momentous occasion marks the start of your life's journey.
May the journey be a happy one, filled with peace and harmony,
joy and laughter, romance and passion. May your enduring love be
the greatest reward that ties together all the rest. Best Wishes!! How
sweet is the moment! When marriage comes, it's a union of
sweets and giving of hearts. With so many beautiful days in store,
start each new day looking for promise of success. The years will be
full. As this marriage grows strong. With faith and commitment. To
guide it along. May this time be warm with laughter, sharing and trust.
As tenderly gentle. How two can become one. How good it can be.
When love's dreams do come true. It's just the beginning when you say "I do."
