The colors are best by the moon, the perfume of the air is
 a sweet quality, the air is full of the perfume of the air, the
 air is full of the perfume of the air, the air is full of the perfume of the air.

The colors are fresh for the season, the graphics still have that
 commercial quality. Fabrics that are comfortable and easy to wear
 and also take in the spirit of the season. And
 also take in the spirit of the season.

"The colors were found for this season, the palette is vibrant and a
 successful quality, taking the embroidery on the kurta, the
 fabric has an impossible journey, it's a beautiful
 never taken out of the storehouse."
