Every day is full of opportunities to get angry, stressed or offended, but what you're doing when you undergo these negative emotions is giving yourself a gift. You're giving yourself a chance to grow, to learn, to become a better person. So, when you're angry, stressed or offended, don't let it take over you. Instead, let it be a catalyst for your growth. You'll be glad you had the chance to grow when you look back on it.
