Colours

There are many ways to look at the world, but the most beautiful is to see it through the eyes of a child. In the same way, the most beautiful way to see the world is to see it through the eyes of a woman. A woman who is not just a woman, but a woman who is a queen. A woman who is not just a queen, but a woman who is a goddess. A woman who is not just a goddess, but a woman who is a goddess of the world.
