Two dramas

The shades we wear tell you so much about us. It's not just a statement, a reflection of ourselves, that's why you should always try to wear what you are, not anyone else.

Beauty Feature

*Fashion is not something that exists
in clothing only. Fashion is in the way
we live, the spirit, fashion has to do with
how the way we live, what is happening.*

*Women think of all colors except the
essence of color. I have said that black
has it all. White
too. Their beauty is
absolute. It is the
perfect harmony.*

*If there's
one shade in
woman's apparel
now to make it
get to be the
one everyone
party - light to
it*

*Fashion is what one
wears myself. What is
unfashionable is what
other people wear.
Style is originality is
simply the contrast of
other people. And
follows the leading
of other people. Other
people are quite
useful. The only
useful quality is
myself.*
