# Fashion

Fashion is a reflection of a given time, socially, politically, economically, and artistically. The changing styles show just as much about history and the time period as any history book. It reflects on what people think, what they value and how they lived.

*Fashion is what one wears oneself. What is unfashionable is what other people wear, just as vulgarity is simply the conduct of other people. And labels hold the truths of other people. Other people are quite dreadful. The only possible society is oneself.*

# Classy

"While clothes may not make the woman, they certainly have a strong effect on her self-confidence, which, I believe, does make the woman."

- 1014

Beauty

"Fashion has two purposes: comfort and love. Beauty comes when fashion succeeds."

# Elegance

"The clothes or accessories you do or don't wear are a statement, a reflection of yourself; that is why you should always try to wear 'who you are' not anyone else."

"Fashion is simply  
a guideline for  
style less people  
to appear stylish."

"But it was fantasy, and she knew it. It was her fantasy, and the fantasy of everyone else who would look at her and at her pictures; and it would stop being real the moment the man with the camera stopped clicking."

# Princess

"A beautiful dress may look beautiful on a hanger, but that means nothing. It must be seen on the shoulders, with the movement of the arms, the legs, and the waist!"

*Fantasy*

"The fashion look of teens and twentysomethings - once so cutting edge - is now, like most of the music played on the radio, a matter of routine. Safe, tired, everywhere."
