Sparkling finesse

Once a great wise sage of sparkle, a glow which would enlighten the path of humanity. These maidens were here for a while, and from a very young age glowed bright, for their radiance was in their universe. Today, their sparkle and that of their dazzling clothes have mirrored the universe with their inherent charm. The prophecy came true!

Golden dreams

Upon closer inspection it is revealed that the stream contains real water, but doesn't lead to truly beautiful shores emitting a golden glow. Such dreams linger for hours and never fade away.
