*Our journey commences at the core of this-
day - an everyday woman, longing to
break free. Through the confines of sacri-
ficed norms through stereotypes, and bonds,
aspiring to live up to all that she can be.
As the winds of change engulf us, bring-
ing with it new traditions and promises,
and as the grey of yesterday fades
behind a burst of light and colour, we open
our arms to welcome the new light of
season, to breathe in the fresh air, and to
embrace the change that life has thrown our
way. We have built our Summer
2018 collection, which celebrates the con-
temporary woman - fierce in her
independence, unbridled in her passion, am-
bitious and art, unafraid to walk her own
path.
This collection has been designed to
embody the essence of woman - graceful,
ambitious, powerful and proud.*

AND
SOME DAYS, YOU
