They hail from a world where all is heavenly. They belong to an age which was truly golden. Whatever the world had lost is contained in their bosoms and in their smile, which shines with the purest gold.

The patterns, hues, shades and contours at work here have been designed by the very masters of the land. Some say that the craftsman went mad and did not wish to part with his magnum opus. When asked why, he said: "my greatest creation needs to be worn only by angels." Today, this garment, made for angelic use can surely be yours forever.
