To
have an independent mind,
to think for oneself, not to
follow fashion, not to seek
honour or decoration, not to
become part of the establishment

modest and arrogant at
the same time. Black is lazy and
easy - but mysterious. But above all black says
this: "I don't bother you - don't bother me"

Clothes

Clothes can suggest, persuade, convince, insinuate, or indeed lie, and apply subtle pressure while their wearer is speaking frankly and straightforwardly of other matters.

I dress

to withstand the elements,
I dress to be as
interesting as the Tale. I dress to insert
myself into social strata,
to be accepted, to pass.

The clothes

or accessories you do or
don't wear are a statement,
a reflection of yourself;
that is why you should always
try to
wear 'who you are' not anyone else.
