Centre Of Attraction

I appreciate simplicity, true beauty that lasts over time, and a little wit and eclecticism that make life more fun.
There is in true beauty, as in courage, something which narrow souls cannot dare to admire.

Amazing

The beauty of a woman is not in a facial mode but the true beauty in a woman is reflected in her soul. It is the caring that she lovingly gives the passion that she shows. The beauty of a woman grows with the passing years.

The dynamics of FASHION

Beauty is not just about physical appearances, but how you see yourself & how you let others see you, you must look deeper to actually see true beauty. You can be beautiful on the outside, but it's what's on the inside that makes a person truly beautiful. Beauty isn't about having a pretty face. It's about having a beautiful soul. True beauty is being confident & proud of yourself. No matter how many people may disagree.
