TEXTILE DEAL

Across the woods, they see signs to her. From an attic they glimpse at her attired in the grandest manner imaginable and they imagine her to be the brightest flower in the perfect curve of the forest. When they grow close, they see that she is something beyond. A divine being clad immaculately.

## PRETTY

TEXTILE DEAL

The last century's "wonder fiber," polyester creates colorful, durable, easy-care garments. Most polyester fabrics may be machine-washed using warm water, but check care labels first.
