

TEXTILE DEAL

A composite image featuring two photographs of the same woman in the same outfit. The left photo shows her from the front, and the right photo shows her from the back. The background is a light yellow with green palm frond patterns. In the top right corner, there is a red circular logo with the letters "mf". At the bottom, there is a quote: "When A Woman smiles, Then her dress should smile too...!" followed by the number "41013".

Style is not something applied.

It is something that permeates.

It is of the nature of that in which it is found,
whether the poem, the manner of a god,
the bearing of a man. It is not a dress.

A dress may look beautiful on hanger,
but that means nothing. It must be seen on
the shoulders, with the movement of the arms,
the legs, and the waist.

Fashion

is about dressing according to what's fashionable.

Style is more about being yourself.

I Love
the fashion world.
I love clothes. I love style.

mf

A fashion
as the most powerful art there is.
It's moment, design, and architecture all in one.
It shows the world who we are and who we'd like to be.
