# ESSENCE OF PERFECTION

The beauty of a woman is not in a facial mode but the true beauty in a woman is reflected in her soul. It is the caring that she lovingly gives the passion that she shows. The beauty of a woman grows with the passing years.

# WELCOME TO STYLE EXPRESS

There is in true beauty, as in courage, something which narrow souls cannot dare to admire.  
Real beauty is to be true to oneself. That's what makes me feel good.  
Beauty is the first present nature gives to women and the first it takes away.

## RADIANT PERFECT STYLE

The beauty of a woman must be seen from in her eyes, because that is the doorway to her heart, the place where love resides....

# CELEBRATE YOUR SOPHISTICATED SIDE

People are like stained - glass windows. They sparkle and shine when the sun is out, but when the darkness sets in, their true beauty is revealed only if there is a light from within. I appreciate simplicity, true beauty that lasts over time, and a little wit and eclecticism that make life more fun.
