# इत्योते

The new season calls for change but in moderation Volumes are plumped out without losing the oriental sculptural structure Fashion gets chiaroscuro, drawing attention to a casual style. Whilst theatrical follies bear sweeter, classic & romantic, the colors rein supreme with bling dressing as the 'it' trend. The magnetic alternative are the blazing chromatic patterns, exotic prints, irresistible luxe finishes with hues to swoon over. With the perfect new season wardrobe, we have season dressing all wrapped up for you. Ditsy florals & overblown roses in feminine shapes, classic motifs & colorful patterns will have you positively looking forward to sunny days.
