Beauty

Beauty is not just a word, it's a feeling. It's the way you carry yourself, the way you smile, the way you walk. It's the way you make others feel. It's the way you make the world a better place. It's the way you make a difference. It's the way you make a statement. It's the way you make a difference. It's the way you make a statement. It's the way you make a difference. It's the way you make a statement.
