## THE HISTORY OF FASHION

It is a history of change. During the past centuries, it was the climate and the region that laid the foundation of the modern fashion industry we know today. The history of fashion has changed continuously, the creation of new-to-wear clothing, hats, jewelry, modern dresses, blouses, blouses, ladies' shoes, handbags and even accessories of your choice, property rights, are such a direct result of the climate, history and culture of the individual who wears it. Fashion, style and beauty are not just a matter of appearance.
