G L O R I O U S

INDICUT
INDIAN FABRIC STORE

Style is a way to say
who you are without
having to speak.
I don't really know how
because as my years
go on, I feel confident
and brave, and I feel
like I don't want to hide
the way that I'm living, but
I always have.
I love to take care of people.
I love to help people.
I'm genuine,
real, and I'm a great
friend to my husband
and my family.
