People are like stained - glass windows. They sparkle and shine when the sun is out, but when the darkness sets in, their true beauty is revealed only if there is a light from within...

IDEAS

I appreciate simplicity, true beauty
that lasts over time,
and a little wit and eclecticism that make life more fun.

A woman with dark hair and a bindi is shown in profile, looking towards the left. She is wearing a vibrant red long-sleeved kurta with intricate floral embroidery in blue, green, and gold. A matching red shawl with a green border is draped over her shoulders. She is also wearing large, ornate gold earrings. The background is a lush garden with green foliage and a white trellis structure, with soft sunlight filtering through the leaves.

CREATION

The beauty of a woman is not in a facial mode
but the true beauty in a woman is reflected in her soul.
It is the caring that she lovingly gives the passion
that she shows. The beauty of a woman grows with
the passing years.

Real beauty is to be true to oneself. That's what makes me feel good. The best part of beauty is that which no picture can express....

Since love grows within you,
so beauty grows. For love
is the beauty of the soul.
Inner beauty should be
the most important part
of improving one's self.

The beauty of a woman must be seen from in her eyes,
because that is the doorway to her heart, the place where love resides

Beauty awakens the soul to act. I don't think of all the misery but of the beauty that still remains. Exuberance is beauty. Beauty is in the heart of the beholder.
