## AN OVATION TO HIGH STYLE

the future of fashion is have one...

The beauty of a woman is not in a facial mode but the true beauty in a woman is reflected in her soul  
It is the caring that she lovingly gives the passion that she shows  
The beauty of a woman grows with the passing years  
Beauty is power; a smile is its sword  
The beauty of a woman must be seen from in her eyes because that is the doorway to her heart the place where love resides.
