# DRAMA

A gorgeous dress with contemporary design would add freshness and stunning glamour to her look

TEXTILE DEAL

The beauty of a woman is not in a facial mode but the true beauty in a woman is reflected in her soul. It is the caring that she lovingly gives the passion that she shows. The beauty of a woman grows with the passing years. Beauty is a manifestation of secret natural laws, which otherwise would have been hidden from us forever. People are like stained-glass windows. They sparkle and shine when the sun is out, but when the darkness sets in, their true beauty is revealed only if there is a light from within.....

It's a brilliantly affordable new look in every phase.  
look graceful, stylish, elegant & sensuous.  
Beauty is power; a smile is its sword.  
The beauty of a woman must be seen from  
in her eyes, because that is the doorway  
to her heart, the place where love resides.  
Real beauty is to be true to oneself.  
That's what makes me feel good.
