Veena Duttani

ZOHAN TEXTILE

The collection captures veena's profound relation with fashion, her bold and expressive choice of dressing, and how her attire was part of her identity.

The dresses are a mixture of cultural style and aesthetic with the contemporary ethos of Ethnic.

Veena's unique sense of style, love for flora, bold traditional attire, statement accessories, and lively colors are elements highlighted in the collection. undoubtably, her fashion and outfit were much more than fabrics sewn together.
