*The more you nurture the more  
beautiful she blooms. And all she wants  
is a little sunshine and lots of love. Hold  
her gently and watch her grow into a  
beautiful show.*

The House Of Linen

by *Aura*

*The gentle breeze carries her  
fragrance far and wide. It leaves people  
mesmerized on every side.*

*She makes a canopy of the finest  
flowers. And all fall in love with the  
beautiful shower. Every petal they hold  
is soft and new, and each time it's a  
different hue.*
