An advertisement featuring a woman in a black and red patterned dress, similar to the one in the first image. She is standing in a garden, looking directly at the camera. The background is a bright, slightly overexposed outdoor setting with green trees and a white building. On the left side of the ad, there is a large, stylized script logo with two hearts integrated into the design, followed by the text "Beauty get attention, Personality capture hearts". Below the logo, a small caption reads: "This season assortment brings your wardrobe too close to great looking colours and fantastic patterns..". In the bottom right corner, there is a small red number "1004" next to a decorative flourish.

ATTITUDE

The right side of the advertisement features two smaller photographs of the same woman. The left inset shows her from the waist up, smiling over her shoulder, wearing a maroon kurta with a yellow textured panel on the shoulder and a yellow border. The right inset is a close-up of her face, looking directly at the camera with her hand near her mouth. Both photos include a gold leaf headband and large gold hoop earrings. The background is a soft-focus green and blue.
