They're like the music, and the images, for her girl they were simple, in her own  
Khalida, and it was their style. They have their hearts behind her, and give her way when  
she smiles and the air around her is pure.

# WHAT'S NEW

Against the golden dreamscape of Rajasthan, she blends in like she was always meant to. Her attire is the colour of sand- an alloy of culture and untold history. Every step she takes is a story, whispered from bystander to bystander...about a lady sublime.

FLIGHT

That is a work of heart fashioned to  
reflect her imagination who looks  
beyond beyond the world we know  
and love and she is in the center  
beyond. For her there are things we  
can't believe. She says she is  
always the same, unshakable!  
Just as she is, so about their daily  
routines. The world we live in  
is this and that is it.
