People are like stained - glass windows. They sparkle and shine when the sun is out, but when the darkness falls, their true beauty is revealed only if there is a light from within. I appreciate simplicity, true beauty that lasts over time, and a little with an obsession that make life more fun.

Beauty isn't about having pretty face  
It's about having a beautiful soul..

*A classic never goes out of style*

Beauty is what you make of yourself, not how old,  
how you dress, how much makeup you wear,  
it's how you present yourself.
