

# GUL-BANARAS

A fashion catalog page featuring a woman in a pink and gold Indian outfit. The outfit consists of a long-sleeved pink kurta with intricate gold embroidery on the neckline and sleeves, paired with a matching pink palazzo and a pink dupatta (scarf) with a detailed gold and pink floral pattern. The woman is also wearing a large, ornate gold ring and matching gold jhumka earrings. She is standing in a dark room with a chandelier and a small round table in the background. A quote is visible on the left side of the image.

*Fashion should be a form of escapism  
& not a form of imprisonment.  
Fashion is almost like a religion,  
for me at least.  
I base most of my fashion taste  
on what doesn't an item.*

*Fashion is inspired by youth & nostalgia &  
draws inspiration from the best of the past.  
I care for the image, not for myself,  
not for the public, not for fashion.*

*Fashion is not something that exists in dress only, fashion is in the sky, in the street,  
fashion has to do with ideas the way we live, what is happening.*

*Individuality Style*

Be sure what you  
& be sure about yourself.  
fashion is not just  
beauty, it about a good attitude  
you have to believe in  
yourself & be strong:  
The difference between style  
& fashion is quality.
