A woman with long, wavy brown hair is standing in front of a large, multi-paned arched window. She is wearing a dark blue top with intricate white lace detailing around the neckline and floral patterns in red and white. The top has a V-neckline and short sleeves with a red and white geometric pattern at the cuffs. She is also wearing a black beaded bracelet on her left wrist and large, dark, tassel earrings. The background shows a view of a building through the window panes.
