## Simplicity of beauty

Beauty is when you can appreciate yourself. When you love yourself, that's when you're most beautiful. The best part of beauty is that which no picture can express. I don't think of all the misery but of the beauty that still remains.

The beauty of a woman must be seen from in her eyes, because that is the doorway to her heart, the place where love resides. Real beauty is to be true to oneself. That's what makes me feel good

# "ETERNAL SENSE & SENSIBILITY"

Real beauty is to be true to oneself...That's what makes me feel good.  
Beauty is the first present nature gives to women and the first it takes away.  
There is in true beauty, as in courage, something which narrow souls cannot dare to admire.

## Wonderful shades

Beauty is a manifestation of secret natural laws, which otherwise would have been hidden from us forever. I appreciate simplicity, true beauty that lasts over time, and a little with and eclecticism that make life more fun.
