The Hue Of Royalty

COLOUR GLORE

1133

A fashion advertisement for a green kurta. At the top, there is a decorative floral icon followed by the text 'The Hue Of Royalty'. Below this, the title 'COLOUR GLORE' is written in a large, bold, serif font. The main part of the advertisement consists of two side-by-side close-up photographs of the woman wearing the green kurta. The left photo shows her from the chest up, looking towards the camera, with her hand near her face. The right photo shows her from the chest up, looking slightly to the side. Both photos highlight the green kurta's details, including the yellow patches with floral designs and the red trousers. The number '1133' is printed at the bottom center of the advertisement.
