*Apparel*  
I don't try to change my attitude based on what people say. At the end of the day, they, too, are judging me from their perspective. I would rather be myself and let people accept me for what I am than be somebody who I am not, just because I want people's approval.

I believe if you keep your faith,  
you keep your trust, you keep the  
right attitude, if you're grateful,  
you'll see God open up new doors.
