NOURHAN

For the NOURHAN un-embroidered luxury, three piece, unstitched collection we were inspired by all of the beautiful kawaii exotic floral references from Korea, Japan and China.

This new wave, oriental story is all about celebrating those gorgeous references and embracing their origins in history, playing an importance in symbolism and seasonality in terms of incorporating nature and design to produce almost sculpture like arrangements..

From different gradients of vibrant colours to render the luminosity of the east, to twists on classic layouts with chrysanthemums, flowering shrubs, bamboo and cherry blossom flowers, there is a strong incorporation of femininity, beauty and subtle designs to give you a luxuriously soft yet affordable range.

Stay effortlessly cool and chic in the scorching summer months, with loose breezy tailoring in the form of definitive cuts of short casual kurtis or long bohemian kaftans with palazzo pants with amulet jewellery and raffia accessories.
