fashion is not something that exists in dresses only. fashion is in sky, in the street, fashion has to do with ideas, the way we live, what is happening

A close-up of the same woman from the previous image, now standing and smiling. She is wearing the same green peacock print dress, white flower crown, and necklace. She is holding a pair of sunglasses in her right hand and adjusting her hair with her left hand. The background is the same three-panel design. The word "FASHION" is at the top in blue, and the "fly free" logo is on the left. The number "Barbie 106" is in the bottom left corner. A quote at the bottom right reads: "it's new era in fashion -there are no rules, it's all about the individual and personal style. wearing high-end, low-end, classic labels coming designers all together".
