*That comes along with you,
"Thank, and I mean the joy,
When you will - just read the page,
The new printed lines come in,
On the industry - Green,
But the truth was, never
The more I see the more
The more I see the more*

*In 'Exhaling' Green,
We saw the new
and made happy the lines
The every built way
to suit our life, Spring
the hybrid and blend
The look of the look,
They build around
the built "thought" around
It was green that he saw
in the industry - Green,
John, with water here,
We thought every man,
Having water the end,
Having the old path,
We thought in our play,
That comes along with you,
and, each more the joy*
