The best fashion advice I'd say would be just to do what makes you comfortable and what makes you feel cute, and that's how you're gonna look your best 'cause when you feel your best, everybody else can feel it.

Love is a really scary thing, and you never know what's going to happen. It's one of the most beautiful things in life, but it's one of the most terrifying. It's worth the fear because you have more knowledge, experience, you learn from people, and you have memories.

I have fun with my clothes onstage; it's not a concert you're seeing, it's a fashion show.

A full-body fashion advertisement featuring a woman in a beige, long-sleeved, button-down kurti with lace detailing on the cuffs. She is wearing sunglasses, large earrings, and a tricolor bangle. The background is a vibrant geometric pattern of pink, blue, and yellow. The text 'WEARING APPAREL' is written vertically on the right side. The brand name 'kurties' is at the top right, and 'RIHANA 510' is at the bottom right. A 'TEXTILE DEAL' banner is at the bottom left.

I think fashion is a lot of fun. I love clothes. More than fashion or brand labels, I love design. I love the thought that people put into clothes. I love when clothes make cultural statements and I think personal style is really cool. I also freely recognize that fashion should be a hobby.
