Hand Crafted. Hand Connected.

fashion is not something that you dress only. Fashion is in the skin, the street. Fashion has to do with ideas, the way we live, what is happening.

Shimmering Diva

It is the caring that she lovingly gives the passion that she shows.
The beauty of a woman grows with the passing years.

Dark Romance

I appreciate simplicity, true beauty that lasts over time,
and a little with an eclecticism that makes life more fun.

When you love fashion,
there is no weekend.
Everything just blends
together. Fashion is about
how you place the
object on the person.
