India, one of the oldest civilisations of the world, has a colourful culture, influenced by continuous integration of migrating empires and dynasties. They left behind a boundless seam of tales, those that transcend ancient histories and transform into myths and legends.

One such saga is KIRARA

It creates a world of imagination and resplendence with designs inspired by the Indian regalia, of the forgotten era of luxurious fineries, palaces, art.

Embark upon a historical adventure through our new range of kurtis stitched together with a new expression, a new destiny.
