ALISA

The beauty of a woman is not in  
a facial mode but the true beauty  
in a woman is reflected in her soul  
It is the caring that she lovingly gives  
the passion that she shows  
The beauty of a woman grows  
with the passing years.

I appreciate simplicity, true beauty  
that lasts over time, and a little  
with and excitement that make  
life more fun. I don't think of all the  
misery but of the beauty that still remains

D. No. 3206  

The beauty of a woman must be seen from in her eyes, because that is the doorway to her heart, the place where love resides. Real beauty is to be true to oneself. That's what makes me feel good.

Since love grows within you, so beauty grows. For love is the beauty of the soul. Inner beauty should be the most important part of improving one's self.
