

FASHION

(MUSLIN DUPATTA)

Fashion is not about clothes, it is about a look.

Imprisonment.

Fashion should be a form of escapism, and not a form of imprisonment.

Fashion

I have always loved fashion because it's a great way to express your mood. And I'm definitely a shoe lover. The right pair of shoes can change the feel of an outfit, and even change how a woman feels about herself. A woman can wear confidence on her feet with a high stiletto, or slip into weekend comfort with a soft ballet flat.

Consistent

The biggest lesson that I've learned is that fashion is this tightrope where you have to be consistent but inconsistent. You need the connective thread but at the same time you need a sense of surprise.

❖ 32012 ❖

Fashionable

Fashion is about dressing according to
what's fashionable.

Intelligence

Everything in the universe has a purpose. Indeed, the invisible intelligence that flows through everything in a purposeful fashion is also flowing through you

Glamour

I want to remind
people of a different kind of
glamour, a different look
, and breaking the rules
of fashion. I wanna break
the rules

Fashion

Fashion is a way to transform yourself.
By choosing your own silhouette
and shape, you can constantly
change who you are.

Fashion

I always loved aesthetics.
Not particularly fashion,
but an idea of beauty.

Experiencing

A lot of times on tour it's about
, 'OK, where am I today? Wow,
I'm in Costa Rica. What is their
famous dish?' And it's about
trying the food, and really
experiencing it.

Primary

One of my primary objects is to form the tools so the tools themselves shall fashion the work and give to every part its just proportion.
