

*When you see a fashion show, you see those seven minutes of what was six months of tedious work of you know, going up an inch and down an inch, changing it from one shade of red to another shade of red, so it's the same as any creative process.*

*The result is what we see, but the process is really labor intensive and work. Fashion has always been a repetition of ideas, but what makes it new is the way you put it together.*

# The Glow Girl

*Fashion pictures  
show people looking  
glamorous. Travel  
pictures show a  
place looking at  
its best, nothing  
to do with the reality.  
In the cookery pages,  
the food always  
looks amazing  
right? Most of the  
pictures we consume  
are propaganda.*
