BANARASI JACQUARD COLLECTION

A full-body advertisement for the brand "Baghban". It features the same woman from the previous image, now standing in a grand, ornate room with intricate carvings on the walls and a balcony in the background. She is wearing the same yellow dress and red dupatta. The advertisement includes the "Baghban" logo in the top right corner, which consists of a stylized letter "A" inside a square frame with the word "Baghban" written below it. At the bottom, there is a decorative footer element and the text "THE ESSENCE OF PERFECTION". Below this, a smaller text reads: "Be sure what you & be sure about your self, fashion is not just beauty, it's about good attitude you have to believe in yourself & be strong." In the bottom right corner, the code "S.410-001" is visible.

Fashion is about dressing according to what's fashionable style is more about being yourself. fashion fades only style remains the same.
