Designer Collection

ON THE
OVER

BECAUSE YOU LOVE YOUR SELF

Women think of all colors except the absence of color.
I have said that black has it all. While too, their beauty is absolute.
It is the perfect harmony. I think there is beauty in everything.
What 'normal' people would perceive as ugly.
I can usually see something of beauty in it. The beauty of a woman is not in the
clothes she wears, the figure that she carries, or the way she combs her hair.
The beauty of a woman is seen in her eyes, because that is the doorway to
heart, the place where love resides. True beauty in a woman is reflected in her
soul. It's the caring that she lovingly gives, the passion that she shows a
with passing years. It's a new era in fashion -
individual and personal style, wearing
and up-and-coming designers all together.
