*Life evolves
from sand*

From the moment of its creation, sand has
always shaped the earth. The way you inherit secrets,
the way you learn to love, the way you grow
above the sand below you, all of her grace. The
heart of the world's beginning.

The glory of dusk

When the sun's rays and the night's soft glow combine in a
delicate way, the atmosphere is at its best. There is a soft glow of light
and a gentle breeze. The sun is setting and the stars are beginning
to appear in the sky.
