*A classic never
goes out of style*

Beauty is what you make of yourself, not how you
look. How you dress, how much, makes you you.
It's not you present yourself.

*Clothes that
Smiles*

You can be beautiful on the outside,
but its whats on the inside that makes
a person truly beautiful...

*Dress like you're
already famous*
to look fashionable and chic,

but you also need to accessorize well.

Dashing in Clance

People are like stained - glass windows. They sparkle and shine when the sun is out, but when the darkness sets in, their true beauty is revealed only if there is a light from within I appreciate simplicity, true beauty that lasts over time, and a little with and eclecticism that make life more fun.
