**Elegant**

Fashion is about dressing according to what's fashionable. Style is more about being yourself.

## Tasteful

I have always loved fashion because it's a great way to express your mood. And I'm definitely a shoe lover. The right pair of shoes can change the feel of an outfit, and even change how a woman feels about herself. A woman can wear confidence on her feet with a high stiletto, or slip into weekend comfort with a soft ballet flat.
