*This is only the end of the physical appearance, but in the heart, there is a universe. This is not a mere cloth, but a canvas of art. This is not a mere fabric, but a masterpiece of design. This is not a mere saree, but a statement of style.*

*Real beauty lies not in the physical appearance, but in the heart. Real success lies not in what that man has done, but in what that man has been. Real love lies not in what is given and taken, but in what both give and receive.*
