People are like stained - glass windows. They sparkle and shine when the sun is out, but when the darkness sets in, their true beauty is revealed only if there is a light from within I appreciate simplicity, true beauty that lasts over time, and a little with and eclecticism that make life more fun.

Since love grows within you, so beauty grows. For love is the beauty of the soul  
Inner beauty should be the most important part of improving one's self.
